

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over 60 years combined experience with successfully developing, marketing, manufacturing, designing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are dedicated to providing new design concepts and top quality so as to meet the diverse needs of their customers.

TREK Cleaning Machines always offers fresh design concepts as shown in their product development. They enjoy offering items which energize both their dealers and their partners and provide production gains to their clients.

The team at TREK likes handling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' skills and requirements together with their understanding of cleaning applications, along with owners' strong desire to dramatically lower cost through productivity gains.

The employees at TREK and their dealer-partners are really dedicated to having both technical support and parts obtainable when it is required. Their high service commitment is one of the core values in their customer service. Keeping their customers' cleaning machinery ready and functioning day after day is top priority. The company's top of the line technology delivers reliable machine which eventually reduces your cost of cleaning. The service, the product and the price all work together to be able to make them the leader in the trade.
